SUMMARY

I am a third-year Information Technology student at Bahirdar University, deeply passionate about technology and computing. My dedication to this field drives my academic pursuits, and I am committed to advancing my skills and knowledge. I aim to excel in the tech industry and contribute to its innovation and growth

EDUCATION

INFORMATION TECHNOLOGY

Bahirdar University

📅 2025 expect

SKILLS

Technical Skills

Html   Css   Javascript   Java   Sql   Php

React native   C#   Python   Photoshop   c++

PROJECTS

Mobile App

📅 2024   📍 Bahirdar

- My friend and I developed a wallpaper Android app that highlights Ethiopian culture, using React Native.

ACHIEVEMENTS

✔ **The Ethiopian Higher Education Entrance Qualification Certificate, 2021**

✔ **Graphics Design: I completed a 3-month course in Adobe Photoshop and Illustrator.**
